**I**N presenting our **Illustrated Catalogue** for the **Fishing Season**, we wish to thank our numerous Customers for their patronage in the past and to say that we hope to merit and retain their continued support and esteem.

We sell **only First-Class Goods** and at the most **reasonable Prices**, recognising that this is a mutual advantage: our Customer gets a **reliable article, is satisfied**, we have a small profit, but an **increased Trade equalises matters, and we are equally satisfied**. We would further impress upon our Customers that we offer the same recommendation with reference to our Fishing Trade that we offer in our Gun Trade, viz., that we are **thoroughly practical men**, up in every detail of the business, that we are not only equally at home in using Tackle, but also on that account **our experience adds to our competency to make it**.

We would respectfully draw attention to our assortment of Flies for Trout and Salmon Fishing; we make a speciality of this. **Our Flies are tied and dressed by men thoroughly competent, and, in addition, skilful fishermen.**

Our Stock of Rods, carefully selected by ourselves, we consider second to none for Price, Practical Utility, and Finish. Our Gut Casts are unrivalled, being carefully chosen and thoroughly tested.

We repair neatly, skilfully, and at moderate charges. Our best attention is for the benefit of our Customers equally with our own, and it is gratifying to know that **our steady increasing business** marks their appreciation, and we hope to merit even a **keener appreciation by our continued civility, promptness and reliability.**

Prices quoted are subject to alteration without notice.

## TERMS.

Owing to the heavy cost entailed in postage and booking of small accounts, we would respectfully ask those who have no Ledger Account with us to remit cash with order, or, if desired, we can forward parcels by post, C.O.D. We feel sure customers will not mistake this for any want of confidence on our part, but as being the quickest and most efficient method of transacting business.

Prices quoted are strictly net.

Cheques and P.O.'s to be made payable to **Hunter & Son.**

## HAND-BUILT SPLIT CANE TROUT RODS.

BEST QUALITY.

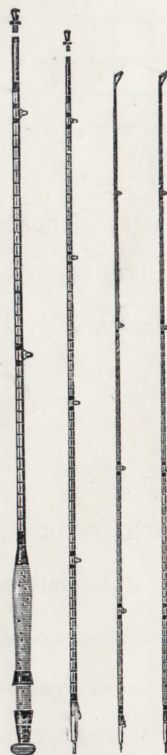

Our Double Built Split Cane Rods are genuine. Double Cane built. The finest Tonquin cane only is put into these rods. We guarantee that they are not packed up the centre with wood or tow and glue, like many well-known firms' rods, or have hollow centres, and sold to the general public as Double Built Cane, at exorbitant prices, in order to make large profits.

The workmanship and finish is of the highest quality, the work of building carefully carried out, and great care is taken that the action and balance of each rod is best suited to the class of fishing for which it is made.

### Specification:—

Three piece, with two tops, lockfast joints, agate butt rings, guarded agate end rings, bridge or intermediate rings, cork handle, universal winch fittings, rubber button, complete in divisioned cover.

All rods 13 feet and over are double built.
